Rapid Access to **Mammography** Services

We are growing to meet the increased demand for D.I services

EFW Radiology is pleased to announce that our year-long project of renovations are now complete at our Southport location. The redevelopments have further streamlined care for patients in one convenient location. We currently have ***no waiting time*** for our ***mammography*** bookings.

Access to our clinic has further improved with the opening of the “*bridge*” from the Southport LRT station.

Thank you for continuing to choose EFW Radiology, Specialists in Diagnostic Imaging as your preferred service provider.

Call our booking line: (403) 541•1200
